Dear Parents:

In an attempt to assist you with your transportation problem we had contacted several bus companies with no success. But recently we have received fine cooperation from the W. S. Carroll Bus Company.

Enclosed is the route which they have proposed as most helpful to the largest number of students. In some cases it will be necessary for your sons to travel to one of the designated stops.

The cost of this bus will be \$32. a day. Obviously, the more students who ride, the less the rate will be per student.

May we ask you to fill out the enclosed form as soon as possible and return it to Xavier High School?

With every blessing for you and your families, I remain

Sincerely yours,

John R. Vigneau, S. J.
