Dear Parents:

We are pleased to inform you that the Myer Goodwin Bus Company will handle all the transportation arrangements for Xavier High School.

During the past academic year Mr. Goodwin's bus ran the Natick-Framingham route to Xavier and his service was superior in all respects to that of the other two companies running buses to Xavier. We feel that the parents of our students will be pleased to know of his reliability and we are confident that you will cooperate with his staff to make it easier for all to come to Xavier at the least expense and in the safest manner. We are aware of the fact that most parents prefer to have their sons on the buses rather than driving their own cars and the police are not enthusiastic about students "hitchhiking" on Route 2. All in all, then, the buses offer the safest transportation for most of our students.

Sincerely yours,

(Rev.) John R. Vigneau, S. J.
